????????????????, ?????????????????????1995????????????, ?????????????????????????As one of the  
earliest Chinese to Antarctic continent, Wei Menghua went to South Pole from U.S.A in 1982.  
When he was back to China in 1983, Wei Menghua firstly performed comprehensive research  
on South Pole and published several works and scientific popular articles such as Fantastic  
Continent of Antarctica, Politics and Laws in South Pole; from 1991 to 2005, he performed 9  
comprehensive scientific investigations in north pole and became to make friends with  
Eskimos. In 1995, as the leader of the team, Wei Menghua led the first scientific expedition  
team to successfully enter into the central region of the north pole and inserted the  
Five-Starred Red Flag (the national flag of the Peoples Republic of China) on the Geographic  
North Pole, which was evaluated as Top 10 scientific news in China in 1995, creating  
conditions for China to join the International Arctic Science Committee
