

Young children will love to spot the lords, ladies, knights and jesters in this new medieval addition to the popular 1001 Things to Spot series. Scenes include life in a castle, a magnificent feast, an exciting jousting tournament, the busy kitchen, a castle siege and a lot more! Overflowing with detail, this title encourages both visual recognition and also helps to develop number skills. Each double page contains small images that show children what they need to spot in the main image and how many are hidden - there are 1,001 different images waiting to be discovered throughout the book.
