

A Deeper Walk is a devotional that offers encouragement and guidance through some of life's mountains and valleys. It is written in a style reminiscent of Francis Roberts in that sometimes God will be speaking directly to you, other times you will be encouraged or corrected, and still other times you will join in a prayer or praise. As you read through the scripture references, the devotional, and spend quiet time with the Lord daily, you will find yourself entering into a more intimate relationship with Him. Whether you are a new or seasoned Christian, this book will help you in your quest to walk more deeply with your Creator.

Trinity Evangelical Divinity School) is the president of Deeper Walk International.
