

This is what a comic drawn by Dali would look like! - Gary Hornberger, Razorcake
Genuinely creepy. Like early David Lynch, like Eraserhead. Goldfarb needs help. - Shannon
Wheeler, Too Much Coffee Man Goldfarb's acclaimed comic series, A Hundred Horrible
Sorrows of Ogner Stump, is a magical and weird journey into the horrors of everyday life. Join
Ogner Stump and his amorphous companion Slub Glub as they encounter demonic hot rods,
voodoo tentacles, swamp witches, psychopathic surgeons, nightmarish landlords, door-to-door
coffin salesmen, and the Green Fairy. From ritual human sacrifice to the moons anus, they
find despair, misery, and wonder in nearly everything. There is a moral lesson to be learned in
each story. There must be. Andrew Goldfarb's surreal vision is one of shadowy desperadoes
and haunted love affairs, all set within a darkly antique universe. Sure to delight fans of Terry
Gilliam, Harvey Pekar, and Frank Zappa.
