

A Single Ray of Light is a collection of inspirational stories and messages taken from the authors personal life experiences. It is designed to empower the reader to become aware of who he/she really is, to believe in themselves, and to remain steadfast to their hopes and dreams. The authors mission in writing this book is to lift up lives and inspire hope. It is a book of encouragement. Ms. Rose believes that a single word of encouragement can be the backbone of a dream or a ray of hope for someone. All it takes is one...one voice, one sign to give another hope to continue on. Each of the nine chapters in the book illuminates the paths to self-awareness (finding yourself), self-acceptance (loving yourself), and believing in yourself (creating the life you want to live). The chapter titles reflect the books message of the importance of learning to love, understand, and encourage yourself. Chapter 1-Hope; Chapter 2-Transitions; Chapter 3-Be You; Chapter 4-Encouragement; Chapter 5-Dreams and Desires; Chapter 6-Attitude; Chapter 7-Everything Counts; Chapter 8-Tranquility; Chapter 9-Live in the Now. Today there were clouds in the sky. It was all dark except for one bright cumulus sunlit cloud...A Single Ray of Light.

The best time to start learning how to find your way using the sun is the start. One of the simplest questions in natural navigation is: 'What direction does the sun rise?' of finding your way back to where you set out from (out east, back west).
