

This A4 format atlas provides giant scale mapping and type throughout making it very easy to use, fully updated for 2010. Each page has been titled with its geographical location so you can turn to the page you need more easily. Static speed camera locations with speed limits are pinpointed and mobile camera sites are listed. Wide minor roads, National Trust, English and World Heritage sites, crematorium and other hard-to-find places are also shown. There is also a full-colour admin map showing all the latest unitary authority areas, route-planning map and journey planning section. The paper in this atlas is produced from environmentally sustainable resources. Also included free with this atlas is The Money Saving Motorist CD-ROM - a wealth of practical motoring advice including safety check videos to help you get the best from your car.
