

God has taken the struggles in my life and turned them something truly wonderful. Growing up I went through so many things I shouldn't have gone through but every step of the way God has been with me. I have been blessed beyond what I could ever imagine. Not in the way you would guess, but in the way of experiences that I have been able to use to reach others. Ahavah Writings for the Journey is the result of those experiences in my life as well as in the Family God has blessed me with. The purpose in sharing these writings with you is simply meant to be a bit of encouragement to all those that read them and to remind us all that our Ahavah (Love) Journey with Christ is indeed a continuous journey. God's promises are so wonderful and they are always anew. As believers God promises us that he will be faithful to us, all we have to do is trust in Him for guidance. It is my hope that this book will help you, the reader, do so.
