

Aloha Burn isn't about lazy days on sugary-sand beaches or idyllic tropical nights with old Hawaiian songs on the trade winds. Aloha Burn is about the people behind the scenes that are never seen by tourists and visitors. It is about Kimo Kanoa, a disgraced Honolulu cop that is relieved of duty and his hunt to find out who it was behind his firing, and why. He is immediately swept up in a power grab that could change the balance of power in the Pacific forever. Kimo is caught in the middle, he's on everyone's hit list and doesn't know why. The word on the street is "Get Kanoa." Kimo does the only thing he knows how to do, he shoots back. The action rolls across Oahu pulling in the islands rich and powerful, hired killers, thugs, streetwalkers, Navy Intelligence hit teams, the F.B.I. And they all have one target. Kimo Kanoa.
