

Seven stories of spanking romance! Role Play Reggie and Melody have an idea to spice up their sex life in their marriage – a little role play. Their classically decorated home library is the perfect setting for a headmaster and his unruly charge. Melody learns the hard way that six of the best with a wooden paddle can rapidly turn into more when she continues to misbehave. It might end up over his knee, and with him getting his pleasure and her not – What You Need Rosalie has made a mistake – a big one. She and her husband Shawn had discussed introducing domestic discipline into their marriage, agreeing to keep the arrangement quiet and just amongst themselves. But when she immediately calls and brags to her best friend about it, Shawn sets out to teach her that her actions have consequences. Rosalie’s best friend Amelia comes over to surprise her, but it’s Rosalie that gets surprised by seeing Shawn spanking Amelia. Jealousy rears, and then it’s Rosalie’s rear getting bared and spanked in front of her friend. The punishment hurts, but the alone time with her husband afterwards might just be what she needs – Ready For It The last thing Thea expects is her husband asking to spank her. It’d be fun, he says. It’d rekindle our spark, he says. It’d hurt, she thinks. But the concept is intriguing, and Thea finds herself unable to resist her husband’s charm. After spending quality time over the back of the SUV, then over the end of the bed, Thea finds that the fun of the spanking isn’t the action itself, but what comes afterwards. Butterfly Kisses Tara and Patrick’s relationship has been missing the spark. They do a weekly date night of dinner, movie, and intercourse, but it’s been more going-through-the-motions than an act of love. When the weekly movie has a scene of the hero spanking the heroine, both Tara and Patrick are intrigued – and turned on. Would acting out the scene themselves rekindle the fire of their marriage, or just set her bottom ablaze? Bathing Beauty Shelly and Nick are happily married, but their intimacies had been lacking in the spice department recently. They picked up a wooden dogleg bath brush, with the intent to apply it vigorously to her bottom, but hadn’t gotten around to that quite yet. Shelly boldly invites Nick to an evening in the bathtub, where Nick then ups the ante by adding a waterproof toy to the fun and games. Between the buzzing addition and his insistence on shaving her smooth, will Shelly be able to follow his order to deny herself the pleasure both provide? Or will Nick need to prove that actions have consequences of the bath brush kind? Always His Renee and Bryan are having problems in their marriage; he moved into the garage apartment two months ago. A blizzard brings them together in the woodshed, where Bryan takes advantage of the location to instruct her in some domestic discipline. Will some quality time between Bryan’s hand and Renee’s bottom rekindle their relationship, or just set her skin aflame? Hotel Hookup She waited in the hotel bar for him, tired and turned on after a long day of shopping. But from the time he arrives, she’s screwing up – dropping things, cursing, and overall just begging for a spanking. When they get up to the hotel room, she knows she’s in for it. The night may start with her over his knee, but who knows where it will end up?
