

This book represents an authentic reproduction of the text as printed by the original publisher. While we have attempted to accurately maintain the integrity of the original work, there are sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature. ++++The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification:++++An introduction to merchants-accompts containing seven distinct questions or accompts ... / by John Collins ...Collins, John, 1625-1683.Subtitle: 1. An easie question to enter beginners, with instructions to post, stated two several ways, upon several suppositions, 2. a question of a merchant, adventuring a stock or cargazon with the purser or sopracargo of a ship, who fells the adventure and furnisheth returns, stated two several ways, 3. a question of factorage, or goods received by consignment, and returns shipt off, with an analysis thereto belonging, 4. a question of a ships freightment, with instructions to keep ship accompts, 5. a question of double exchanges. 6. An easie partable accompt between three dyers, 7. a controversial partable accompt between three Turkey merchants.[121] p.London : Printed by William Godbid, for Robert Horne ..., 1675.Wing / C5377EnglishReproduction of the original in the Columbia University Library++++This book represents an authentic reproduction of the text as printed by the original publisher.
