The planet is much like Earth only with a green sun, no moon, no streets, or roads, since everyone on the planet has wings and can fly. The book follows a high school student as he grows and learns life on the planet. His dream is to race Enallo, which is simpler to horse racing but only the Enallo fly, the race tracks are more complex and the racers fight to the death in order to win. The story is full of drug-use, sex and violence. Caution, book doesnt contain any punctuation.
