From the Author What is stopping you from achieving your goals? What is delaying you living the life you dream of? Only you! In this new workbook, I have put together materials from some of the most inspirational authors today ~ as well as my personal exercises, previously only made available to my consulting clients. What I found was that most people had no idea how they were limiting themselves ~ even through simple every-day tasks that distracted them from their true goals. Want to accomplish something ~ anything? Then get my book. You will learn how you get distracted or interrupted ~ as well as how to stop that. You will learn how to create Image Boards (we used to call them collages when I was in high school) ~ to visualize what you want to create for you. And through the 145 pages of Affirming statements and examples ~ again, using real-life beliefs, statements and attitudes that I have used in my consulting business for over a decade ~ you will give yourself permission to live and lead the life you desire. Enjoy your journey! Paula T. Webb - author
