

This devotional is a project of the faith based arts non-profit Artist Reformation. We hope to continue doing this every year as a blessing for all those who are connected to Artist Reformation, a means of support for our nonprofit, and a way to give people close to us a voice to speak about the things God is doing in their heads and hearts. Each person we asked to write a piece is connected to Artist Reformation in some way. Whether as a teacher or mentor, an artist we respect and enjoy, a person on our team, someone in our Residency program, or just a good friend; we believe each person who wrote in this devotional has something thought provoking and edifying to say. We are proud parents of this little book and hope you glean a ton from it throughout the year. I recommend glancing over it to see things that interest you. We left space for you to journal and reflect on the life, beliefs, and values of the people who have contributed. We hope you resonate with what they have to say.
