

BEACH PLUM DAYS is an enchanting and refreshing poetic sampler of the beauty of the shore, the mountains, love and life. The author's intuitive skill spotlights the drama in the simple and makes poetry approachable. You can hear the pulse of the surf in the flow of her words or feel the shadow of a mountain breeze between the lines. With a unique and tantalizing clarity, she shares her gift to let you see what she sees, feel what she feels, and be where she is at any given moment. It's a thorough and enjoyable journey of the heart.
