

A Navy SEAL, a firefighter, an MMA fighter, and a cop... These sexy bear shifters are big and bulging with muscle, and theyâ€™d do anything to protect their curvy mates. Each book in this series is an action-packed, steamy-as-hell ride that you wonâ€™t be able to put down. Each of these four books is a full, stand-alone novella with a happily ever after with NO CLIFFHANGERS. In Unbearable Arms, Asher--a Navy SEAL--and his elite unite of shifters fight to save his mate while a powerful dragon, Asherâ€™s ex-squadmate turned enemy, threatens to keep them apart. In Unbearable Heat, Seth rescues his mate from a fire--and offers her a warm place to stay. Just as things heat up between them, an arsonist and a pack of wolves hungry for revenge comes for them. In Unbearable Cage, Cage comes back to town for his sister, but stays for his mate. Heâ€™s pulled back into the MMA shifter league when his old rival blackmails him back into the ring. Cage and his mate must train hard--in and out of bed--so they can fight to stay together. In Unbearable Curves, Abel old flame comes back to town, but he realizes sheâ€™s the target of a killer. He protects her with an unlikely partner--a dragon shifter--but the three of them are pulled into something much bigger--and much more dangerous--than they could ever have imagined.
