

Being Happy in a Crappy World (Second Edition) is a Catholic Adults companion in the search for a deeper, more fulfilling Christian spiritual life. Its pages are loaded with real-world lessons, compelling insights, and downright good food for thought about what it means to be an intentional disciple of Christ in the modern world. Written by a Catholic grandfather who has been there and done that, it is stacked with humor and written with great love for the reader. This little volume is a joy to read, an inspiration to embrace, and a roadmap to live as a happy, engaged Catholic no matter what the world throws our way.
