

FM 34-80 is intended primarily for use by the intelligence staff officer (S2) and his section at the maneuver battalion and brigade levels. It describes the IEW tasks for which the S2 has responsibility and how the S2 operations are integrated into the command and staff process at the battalion and brigade levels. This manual may also be used by commanders, other staff officers, and military intelligence personnel within the division to gain a better understanding of the IEW system and IEW tasks applicable to brigade and battalion operations.
