

It's Monah's 30th birthday, and she's dining out with her best friends Tasha and Simone when she reveals that she's never had an orgasm ever. Tasha and Simone are shocked but not surprised given their friends' traditional views about sex. Yet and still this new knowledge about Monah doesn't sit right with them so Tasha and Simone come up with a plan to bring Monah to a place where the men are gorgeous, the champagne is never flat, and the atmosphere is fit for royalty. The spot? Chateau Luxure. Naturally, Monah has questions about this place as she watches her friends come up with a plan to get in. She wonders what kind of place requires an entrance fee of over a grand and has no address. Monah learns that Chateau Luxure is an exclusive property that requires a password to enter, and that it is not quite a lounge and definitely not a hotel but has the amenities of both. When she arrives she understands exactly what Chateau Luxure really is when she finds it packed with men, beautiful from head to toe, and all there for one purpose – to cater to the opposite sex. The owner of the property, Mimi, tells her Chateau Luxure is heaven reincarnated and Monah's stay will be nothing short of heavenly. She fights her friends on settling for one night of passion. That's until she meets Mr. Right Now. If diamonds really are a girl's best friend, Chateau Luxure is where she brings them. Get ready to walk through the doors of the luxurious Chateau Luxure where the men are of quality and you always leave satisfied, guaranteed.
