

An intelligent being from a planet other than Earth. Several alien species have been reported, many are humanoid or somewhat resemble animals found on Earth, the others are not so common in appearance. The belief in extraterrestrial beings is visible throughout human history beginning with the ancient hieroglyphs and cave paintings that have been discovered all over the world. Cave paintings often depict saucer shaped objects, beings emanating rays of light, and strange animals. The oldest known depictions, found in northern Italy, show human-like creatures and unknown four-legged beasts. They are dated between 32,000 and 36,500 years old.
