

LIFE IS FULL OF CHOICES. HOW DO YOU MAKE THE RIGHT ONES? The world says you can have it all--sex without responsibility, relationships without commitment, and easy marriages that are here today and gone tomorrow. The Bible says you can have it all, too--but it gives you the big picture, spelling out the consequences of such choices. In Choices, Stacy and Paula Rinehart review many of the principles about relationships in the Bible and show you how to make decisions based on all the information. If you have questions about sex, dating, marriage, or singleness, Choices has concrete answers. You'll learn how to date with discernment, remain celibate before marriage, become content in singleness, and more! With questions for personal study and more for discussion at the end of every chapter, you'll discover for yourself God's plan for your relationships with the opposite sex. To make good choices, you need all the facts. Then the choice is up to you.
