

“Christ the Divine” -See yourself in your true colors, your inner Christ- As ice turns into water as a result of its vibration having been enhanced, your body’s vibration must be elevated in its dissolution. Otherwise you could not be blessed by your inner Christ, or not even rise above illness, aging, or death in any way. Mr. Suzuki’s Christ the Divine explains the real meaning of the existence of Jesus Christ, based on spiritual facts that he himself has experienced. Therein, Jesus is shown as an existence truly liberated from the endless cycle of life and death in which the human race is mired, and that existence reminds you once again of your original form (Christ = your divine selves), which you have forgotten due to your obsession with the world of the senses. His profound and bold teachings are explained here. He asks, “Where do human beings come from and where are they going?” He sheds light on the fundamental issues that human beings should be concerned with, and clearly points the way to find the true meaning and purpose in life. This book reveals the mystery of the creation of the world, and it has great significance for mankind, who has now become spiritually suffocated, hopeless over spirituality and immortality due to the delusion of materialist theory. It can be said that this is a book of revelation that opens the door of spiritual consciousness, and attempts to turn the eyes of modern people, who are for the most part glued to the earthly plane, toward heaven. It makes a strong appeal to you to see the need for a drastic change in your perspective on human existence. -Contents- A Preface 1.The World in Which You Dwell; Matter 2.All Things Composed of Atoms And Elements 3.Deluded by Wave: Differences between Vibration and Wave 4.What is Vibration? 5.Reflection on Healings as Vibration 6.Why Was Man Predestined to Come into Being? 7.What Is Death? 8.Trauma Or Karma 9.Effects of Human Thoughts upon the Body 10.What Is Life Energy? 11.What Is Chakra? 12.What Is Life Liquid? 13.What Is Soul? 14.The Heavenly World: the Mother of Everything 15.What Is the Spirit? 16.What Is Seeing? 17.What Is Christ? 18.What Is the Spiritual Awakening? 19.Dissolving the Flesh 20.The Discipline Required Conclusion
