

John McKinnon is remembering the dramas of his life, his daughter, Missy, and the colorful story of how he came to meet the only bride he ever married, Briana. This will be the last day of his life, but the ending of his life affects the lives of so many others. Claire Bennett is a passenger in the back seat when she witnesses her parents killed by a runaway truck crashing into the side of the car. John McKinnon was once the driver of that runaway truck, but as the accident proceeds, he is already dead of a heart attack when his truck which is towing a trailer careens into the side of the Bennett family car. Seven Hills, John McKinnon's farm and ranch, is the major benefactor of Cherry Hill orphanage in Everly, Arkansas. In a twist of circumstance, Claire Bennett becomes a resident of Cherry Hill orphanage while Missy McKinnon, the sole survivor of John McKinnon, is introduced to Claire without either of them knowing the tragic relation between each other.
