

For over twenty years, Gene Hoffman engaged in efforts to seek out the deep, psychological causes of violence and to help bring about healing and reconciliation through a process she named Compassionate Listening. This carefully edited collection of her writings sheds light on Gene's approach to peacemaking and conflict resolution, and invites readers along on a spiritual journey that she aptly calls a peace pilgrims progress to inner healing. This 2nd edition features a new forward by Leah Green, founder of The Compassionate Listening Project.

Do your best to practice compassionate listening. Do not listen for the sole purpose of judging, criticizing or analyzing. Listen only to help the.
