

A bedroom can be fun or serious, fancy or minimalist, bright or subtle. In this strikingly photographed companion to *Creating Your Dream Kitchen* and *Creating Your Dream Bathroom*, award-winning interior designer Andrew Bannister shows how to make it more than just a place to sleep. He offers advice on how to determine your needs and desires, covering practical issues that range from storage to selecting the right bed. Most impressive are the many case studies that demonstrate the modern bedroom's versatility. Some serve as private retreats with a workout machine, yoga mat, and surplus of comfort; others become part-time offices or media rooms. There are ideas for dressing rooms, guest bedrooms, kids' and teenagers' rooms, and more.
