

From the annals of wartime Britain come four brilliantly funny episodes with Captain Mainwaring's fully trained Home Guard platoon, ever ready to strike terror into the heart of the Wehrmacht from their unit in Walmington-on-Sea. Always prepared to fight to the finish, this endearing team of characters are at their incompetent best in these wonderfully entertaining adventures specially adapted for radio. So...join Walmington's finest and discover why onions feature in an initiative test, the pride when the platoon is chosen to provide a guard of honour as the Royal Train passes through, how the platoon rises to the challenge of live ammunition, and how Captain Mainwaring becomes a casualty of war, leaving Sergeant Wilson in charge.
