

Is debt taking the fun out of life? Are you a prisoner to debt? Debt puts a great deal of pressure on you. This pressure creates stress and worry than can easily consume your life. When you are in debt, it can feel like there is no way out. This book will show you how to control debt and not let your debt control you. In order to do this you must change your mind set in regards to money, consumption, and debt. Developing a plan to get out of debt is easy. Remaining committed to your plan to get out of debt is very difficult. In this book you will learn how to prepare for the pressures of debt. Learning to control your finances and understand interest accumulation will help you get out of debt. However, understanding the monetary requirements that help you get out of debt are not enough to help you stay out of debt. You will learn the following insights about developing a debt free mindset:

- How to be realistic about debt
- How to make a custom plan to eliminate debt
- How to increase your income above your level of consumption
- Why debt effect your personality and ability to improve life
- How to stop focusing on what you don't have
- How to not be effected by the pressures of debt

Informative and insightful, this book takes a look at debt from a different perspective
