

Josh Peck has produced a work that introduces the reader to the subjects the church ignores or is too afraid to discuss! Bravo Josh, for your boldness and willingness to take a risk! - L.A. Marzulli, Author and Host of The Watchers Series There is a war against humanity that has been raging for nearly six thousand years. The Great Commander, Jesus Christ, has set up His Church to fight the enemy. The problem is the enemy has convinced the Church that the war does not exist. Many Christians today are unknowingly being hidden away from true Bible prophecy. Disclosure answers this problem by guiding a Christian through even the most traditional beliefs to the exciting world of God's promises and prophecy, including topics such as the Nephilim and the green horse of Revelation. There has never been a more important time in history for the Church to be informed. The enemy is setting the stage for the greatest deception the world has ever seen. Disclosure sorts out truth from tradition and digs out the hidden prophecies that God has left for us in His Word. Written by researcher Josh Peck, Disclosure: Unveiling Our Role in the Secret War of the Ancients uses Bible prophecy, personal examples, and historical events to expose the truth of these last days.
