

The brainchild of Amazon Kindle Number One Bestselling Western Writers Mike Stotter and Ben Bridges, Piccadilly Publishing is dedicated to issuing classic series fiction from yesterday and today! DOOM RIVER Fresh from the liberation of Paris, Sgt C. J. Mahoney hits the ground running in Patton's bloody assault on the Moselle River. With German guns selling death wholesale, it's Mahoney and his kill-crazy sidekick, Cranepool, swimming right into the teeth of the flying bullets. Destroying Nazis is easy meat when the brass let you go your own route. But this time Patton has played the wrong hand and the Sergeant is stuck on the wrong side of the river with the shells whistling, the Krauts counterattacking and no support from his buddies. With the enemy coming right down his throat and the river of doom at his back, the Sergeant knows that the choices are fight or run. Both mean death and with death that close, if Mahoney goes down, it'll be in a pile of dead Nazis! LEN LEVINSON, ALIAS JOSH EDWARDS Hailed as a "trash genius", Len Levinson was born in New Bedford, Massachusetts, served on active duty in the U.S. Army from 1954-1957, and graduated from Michigan State University with a BA in Social Science. He relocated to NYC that year and worked as an advertising copywriter and public relations executive before becoming a full-time novelist. Len created and wrote a number of series, including The Apache Wars Saga, The Pecos Kid and The Rat Bastards. He has had over eighty titles published, and PP is delighted to have the opportunity to issue his exceptional WWII series, The Sergeant in digital form. After many years in NYC, Len moved to a small town (pop. 3100) in rural Illinois, where he is now surrounded by corn and soy bean fields ... a peaceful, ideal location for a writer.
