

A typical day in the life of Charley Davidson involves cheating husbands, missing people, errant wives, philandering business owners, and oh yeah...demons, hell hounds, evil gods, and dead people. Lots and lots of dead people. As a part time Private Investigator and full-time Grim Reaper, Charley has to balance the good, the bad, the undead, and those who want her dead. In this eleventh installment, Charley is learning to make peace with the fact that she is a goddess with all kinds of power and that her own daughter has been born to save the world from total destruction. But the forces of hell are determined to see Charley banished forever to the darkest corners of another dimension. With the son of Satan himself as her husband and world-rocking lover, maybe Charley can find a way to have her happily ever after after all.
