

This inspiring and prescriptive book leads us from the emotional chaos of the reactive mind to the clarity of the responsive mind. As Founder of the Life Balance Institute, Phillip Moffitt has observed that most people lack clarity about their life's direction and the ability to cope with its inevitable challenges. Now, in *Emotional Chaos to Clarity*, he provides the antidote by showing us the path of skillful living. Grounded in Western psychology and Buddhist philosophy, each chapter introduces a mind state that prevents us from living skillfully, narrates stories from Moffitt's hundreds of students and clients, and provides step-by-step exercises for readers to find clarity in their own lives. Among the many benefits of skillful living are being able to gain wisdom from both pleasant and unpleasant experiences and having an inner life which can flourish, even if our outer life is filled with difficulty.

Bee Venom: The Natural Curative for Arthritis and Rheumatism, The Business Planner: A Complete Guide to Raising Finance for Your Business, The Courtship of Two Doctors-A 1930s Love Story of Letters, Hope & Healing, How to Succeed with People: Remarkably easy ways to engage, influence and motivate almost anyone, The Encyclopedia of Collectibles - Inkwells to Lace,
