

This book consists of a series of essays that I wrote between five and six years ago. Given the political climate for today, I think they are even more telling and true than they were back then. I have also added a couple of essays that are more recent, but no less controversial. When you read these, you may agree wholeheartedly or disagree in the extreme! In either case, you're welcome to your opinion! It is the object of this book to provoke and stimulate the reader to think and consider the implications of some of the proposals put forth. This book is approximately 85 Kindle pages in length with about 11,000 words. I would like to thank you in advance for purchasing it and I hope it will provoke you to think about the condition that this country is in and the direction in which it is sliding. Today you have the right to purchase and read this book and if you like, publish a rebuttal. The central question remains: will you have those same rights 15 years from now? Thank you John T Shepherd

Following Jesus: Defining Discipleship for the 21st Century, A single hand but which one?: On the other side of the mirror, Chicagoisms: The City as Catalyst for Architectural Speculation, Haunted Liverpool 1, Nine Greek Dramas By AEschylus, Sophocles, Euripides and Aristophanes (The Harvard Classics Vol. 8), Hand-Stitched Boxes: Plastic Canvas, Cross Stitch, Embroidery, Patchwork, Bedroom Feng Shui: Found Mastering Feng Shui Bedroom Guide Useful to Ensure Auspicious Energy Flows Easily Between The Bedroom Door and Windows, Museo Claudio Faina DI Orvieto: Ceramica a Vernice Nera (Catalogo regionale dei beni culturali dell'Umbria) (Italian Edition), Comets: Across the Universe,
