

FACES OF CHRISTMAS PAST is an engaging, middle-aged look at the perils of Christmas, our own self-imposed burdens of ritual duty (like the newsy Christmas Xerox), and the more unsettling fact that successive Christmases, more even than New Year's, mark the passing of our life from childhood to death. Old Christmas card photos show us how we've aged, says author Bill Holm, reminding us that, though time may curve in Einstein's physics, in our small life it is a straight line to white hair and bifocals. Holm also reminds us of the great consoling ritual of music, so rich and full of feeling at Christmas. Our best defense against age and death may be singing, he says, so we'd better open our mouths with courage and spirit to let the songs come.

We dare to believe;: An exploration of faith in the modern world,, The Gospel And The Esoteric Basis Of Christianity, How to Communicate, Social Psychology for Sociologists, Gendered land use and household food security: A case study in Girakidamn Kebele of Machakel Woreda, Amhara Region, Ethiopia, Alexandre le Grand (French Edition),

Faces of Christmas Past has 9 ratings and 4 reviews. This Exceptional Memoir speaks with wit and grace to the perils of Christmas and self-imposed ritual.

AN EXCEPTIONAL memoir that speaks with wit and grace to the perils of Christmas and self-imposed burdens of ritual duty (like the newsy Christmas xerox).
