

Master Powerful New Ways to Manage Innovation, Projects, People, and Performance! Three great books present breakthrough techniques for managing innovation, projects, people, and business performance! Innovation: Fast Track to Success presents a practical framework for identifying new commercial opportunities and developing new and better ways of doing things. This integrated framework helps you get all six key elements of innovation right: planning, pipeline, process, platform, people, and performance. Project Management: Fast Track to Success shows how to adapt and simplify project management tools and techniques to make them maximally relevant to modern business operational activities. Finally, in Managing People & Performance: Fast Track to Success, David Ross shows how to get the best possible performance out of every member of your team, whatever their personality or skillset. Ross shows how to build a high-performance team by gaining deep insight into each individual team member and motivating them to work together to deliver the results you need. Together, these three books will teach you the key skills you need to excel as a manager--and accelerate your career development! From world-renowned leaders in optimizing business performance, including Andy Bruce, David Birchall, Patrick Harper-Smith, Simon Derry, and David Ross
