

From crapping his pants to being confounded over Christ, Field of Turby is a hilarious exploration through the mostly-true (at least as true as he can remember) vignettes of one man's life. Shifting seamlessly through the years, Turbyfill tells us about the strange stories and pivotal life events that made up his youth and early adulthood. Whether it's being held up at gunpoint by both cops and robbers, hitting puberty at the ripe old age of twenty-eight, or experiencing the familiar heartbreak of love lost and family passed, we are constantly reminded that our lives are a collection of moments, each with a purpose.
