

The people of both Australia and Turkey attach meaning to their national identities and ideals as a result of the Gallipoli campaign. Gallipoli: The Turkish Defence is the first and only book to reveal new details of the Turkish point of view of the conflict, revealing how the Turks reacted and defended Gallipoli and how they succeeded in forcing the Allied forces to withdraw. This is the fullest possible and most comprehensive account of the Turkish defence yet produced, which fills a huge gap in the history of the Gallipoli Campaign.
