

By going into foster parenting hoping to adopt, I probably became a foster parent for the wrong reasons. But I continue to foster because I have come to understand how valuable the experience is for everyone involved. Giving the Baby Back documents one young woman's single-minded pursuit of motherhood, and the relationships and opportunities that developed along the way. A personal, sometimes anguishing reflection on decisions made, risks taken, and how it feels to raise another woman's child. From the dusty streets of Puerto Rico to the shiny fertility clinics of Boston, and ending at a non-descript courthouse in Hawaii, this story explores the many ways it is possible to become a parent, and the determination and patience sometimes required to succeed.
