

All the worlds knowledge is stored and collected here. The place serves as an assembly point and information centre and is all things in one: laboratory, workshop, building site, university, theatre, opera house and museum. The shape of the building should be like a sphere with a silver-grey surface gleaming in the sunlight. It stands in a shallow pool of water. Broad walkways lead to the entrance. Extensive gardens in gentle geometric patterns invite visitors to rest, play, chat and look.
