Toms popular book is about ghosts - whatever they are. Every culture on earth has believed in ghosts at one time or another: . Buddha trained himself to overcome fear by sitting in a haunted cemetery, and ghosts are even mentioned in the Bible. In the course of a persons lifetime, the chances of encountering a ghost are surprisingly high. Many of the stories within this book originated from the numerous letters and phone-calls Tom Slemen received at Radio Merseyside, where he presents a regular slot about ghosts and local mysteries on the Billy Butler Show. The show is probably the most popular in the north-west and the tremendous response from listeners is confirmation of a widespread fascination in the paranormal.
