

Healing Angels for Children is dedicated to all children who ask difficult questions about life, expecting answers that will help them to grow in mind, body and spirit. As a child I wanted to know everything about life; the good and bad. And sometimes no one would tell me the truth about certain topics so I found out what I needed to know my own way. Healing Angels for Children is a helpful guide for parents to read to their children when there is a need for a soft way to talk about difficult topics.
