

Chad Langdon is tough, often seen as arrogant and sometimes overbearing, but when he loves he gives everything he has to that person. When he fell in love with Fallon Craemer the fall was fast and deep, so when she refused his marriage proposal it cut him to the quick. Chad left Dersley Dale to lick his wounds but discovered himself and his new career as a writer. With renewed determination he returns to his home village and the woman he is hell bent on making his wife.
