

“What do you want to be when you grow up?” If you are considering an internship, this book provides strategies to help you with the process of securing your ideal role, based on my own experiences in the world of interning, which are detailed in the book. Take inspiration from other interns’ stories and read exclusive interviews conducted with organisations in broadcasting, finance and media. Uncover their perspectives on internships, and the importance they hold in the job market today. Good Luck!
