

Arabella claims to have no Spiritual background, but much of the material in this book has been received from Spirit sources. "In 2003 I was told by a Spirit voice to "Go to Stansted. Observe and Report." That led to my first visit to the Arthur Findlay College at Stansted in Essex, and I have never looked back since that day. It has been one impossible thing after another, and keeps getting better and better all the time." This book tries to describe some of Arabella's student days as a result of attending frequent courses since 2004. The courses are remembered as "Often frustrating, sometimes disappointing, but occasionally humorous and educational. Beneficial in a number of ways, and always progressive."
