

Travelling the back roads across America in a seven month, eighteen thousand mile journey brought out survival instincts and a perception of life in Gary that we all possess and rarely experience in this modern world that we live. The result is clearly written in Journey Thru America, My Quest for Peace, in which Gary describes his incredible journey in such a way that the reader experiences the excitement and travelling as if they are experiencing it themselves. Gary speaks his mind of America and American people that is controversial at times and thought provoking.
