

List Builder Magic How To Build a HUGE Opt-in E-mail List A Step-by-Step, Easy-to-Follow Course for Starting and Building a Successful Opt-In E-mail Subscriber List This guide will save you monthsâ€”possibly yearsâ€”of research, trial and error, frustration, and ultimatelyâ€”disappointment. It also comes with a free Video Course that you can find the link to in the start of the book. The video course supplements the course and helps embed your learning. Now at some time the specific web sites etc that we refer to change and move on. Also they change hands and the service goes downhill. When this occurs if you have signed up for the Video course we will update you on these changes. Also we will send you new chapters and ideas we research. So make sure you go find that link at the very start of the book and sign up to keep updated. I wrote this course with the help of my good friend and colleague, Jim Edwards. I have learned a lot from him about Internet marketing and have included as much of our collective wisdom as I can in this guide. His subscriber lists total approximately 50,000, and that figure keeps growingâ€”daily!! Within the following pages you will find everything Jim and other successful list owners do to increase the size and profitability of their lists. I know that if you follow the steps outlined here, you will successfully increase your opt-in e-mail subscriber list to a level far above what it is nowâ€”and perhaps even further than you ever dreamed possible.
