

The book contains five lessons: four musical stories and Musical Dominoes (a DIY game for kids). These lessons are the second part of the series Little Music Lessons for Kids (Volume 10). The main hero is a funny puppy. Through the interesting stories, he will teach your child about the duration of musical notes and rests, Italian musical terms, and more. Your young musician will have a chance to make the bright and beautiful cards for Musical Dominoes, then play and learn musical notes in the treble and bass clefs. With these lessons, you can help your child learn fundamentals of music even if you don't have any musical education! For children 5-8 years old
