

Master Hans Daughter: Tales of Depraved NeoTokyo. Enter a futuristic Tokyo, where sex and desire are as sharp as a knife blade. In a sexual cyberpunk world, love and cruelty make a strange, sadomasochistic mix in these short stories by internationally known sexuality educator Midori. In her profession, she has honed her storytelling skills, using her voice and her imagination to excite her students and fans, transporting them to other worlds, and encouraging them to explore their wildest fantasies. In Master Hans Daughter Midori's own sharp-edged and haunting visions come to light. Cyberpunk tends to bristle with pessimism for the human race, but the grim, dehumanizing future in these tales does not dim the passion of the characters, and only serves to sharpen the odd edges of their kinks. Corporate whores, underworld princes, jacked-in losers searching for the perfect high, corrupt government officials looking for that special bribe, they're all here in NeoTokyo.
