

Kaylee is nearing her twenty-fifth birthday. The day before her birthday, she receives a letter in the mail from her foster parents'™ lawyer. He alludes to a packet a man named Sandoval has left for her. He is apparently her natural father. When her foster parents were recently killed, she became an orphan again. She has never known who her natural parents were or why they gave her away. The letter informs her that a man named Deklan is coming to claim her. Infuriated beyond rational thought, Kaylee has no patience for the wildly handsome man, with silver hair and eyes, who comes pounding on her door. Dekklan is an arrogant bossy jerk, can they work out their differences and fight evil? Blayne had finally found his one true mate. Marissa is everything he could ask for in a mate. When the call came for him to go to the heir of the Master Shifter gene, he was forced to leave Marissa in the middle of the mating fever. How could he ever make it up to his mate? Marissa craved her new mate's™ touch. Could she ever forgive him for choosing duty over their love and their mating? How could she live with him? How could she live without him?
