

Designed as a research aid for educators and students in high school or college, this work gathers and organizes valuable information about Web resources that deal with multicultural issues. For each site the authors provide a complete Internet address and a brief annotation. Designed as a research aid for educators and students in high school or college, this work gathers and organizes valuable information about Internet and Web sources that deal with multicultural issues. Sites with multiple cultural or ethnic coverage are reviewed in the first chapter. Other chapters cover specific cultures and ethnicities (e.g., Native American, African American, Jewish American). Further arrangements are made by subject (e.g., current events, politics and business). For each site the authors provide a complete Internet address and a brief annotation.

Lune (Italian Edition), The Law of Karma: A Philosophical Study (Library of Philosophy and Religion), College Algebra, The Monthly Review, Early Christianity Outside the Roman Empire: Two Lectures Delivered at Trinity College, Dublin (1899 ), Counselling in Study Methods, Ethnic Profiling: A Modern Framework, Simply Free: A Guide to Healing and Deliverance, The Renaissance: From the 1470s to the end of the 16th century (Man & Music),
