

This Advanced Level KS2 Maths book from CGP contains eighteen bitesized 10-Minute Tests (including arithmetic tests) - it covers every topic pupils will need for a top mark in the KS2 Maths SATS. The questions in each test are written in the style of the latest SATS, but there are also plenty of fun brainteasers throughout the book to break up the hard work. Complete step-by-step answers and mark schemes are included in a pull-out section, with a progress chart at the back to keep track of how they're getting on. For more help with KS2 Maths, a CGP Advanced Level SATS Revision Book (9781782944188) and SATS Question Book (9781782944201) are also available. And finally, for pupils who are less confident in their maths, CGP also makes a Standard Level 10-Minute Tests book (9781782946823).
