

ON THE NIGHT OF HALLOWEEN, AN EVENT WICKED AND DANGEROUS IS ABOUT TO HAPPEN. CAN YOU EVER FIND TRUE LOVE ON A HALLOWEEN NIGHT? In Vamp Club, a nightclub known for its Gothic flair and exotic moods, beautiful creatures of the night abound to find their long lost lovers or their ill-fated preys? Emilia is sensible, staid and in control before she met hypnotically stunning Asher in Vamp Club. She has just recovered from a broken heart and she thought it the reason why she lit like dry wood on fire when his hands touch her. But his kisses brand her and their meetings can only leave her sexually frustrated. Aside from these, she feels like someone's been watching her. She is having incredible wet dreams about a man and she suspects Asher is the man stalking her nights and invading her dreams, making her someone she never thought she could ever be: wanton, careless, and hungry.... Meanwhile, Audrina, the owner of the nightclub and a friend of Asher, has been a vampire for so long that she doesn't remember her human life. She is amazed to find Asher still in love with his vampire witch. There is a love that transpires centuries! But will she find this kind of love with any of the beautiful Undead? Then she meets handsome, newly awakened Kayden and the possibility of love opens up to her. Of course, the all too familiar feeling of danger that comes and goes for years is there to mess things up. Love and danger... the life of a vampire is always interesting or she will always wonder why she stays. If you wish to read more, download now! EXCERPT Good evening, she said in a low sexy voice. I'm Audrina, and welcome to my establishment. Emilia almost giggled. Who the hell says things like establishment these days? But she managed to contain herself and turn her giggle into a wide smile. Thanks, she said. I'm Emilia and this is my friend Ember. This is the coolest place I've seen in a while, she exclaimed as she swept her eyes around her. She was definitely glad she tried Goth get-up tonight. It was simple Goth, and she didn't appear too weird but not out-of-place either. She looked back at Audrina and wondered at the woman who was able to make this kind of establishment as seemingly successful as it looked. I'm so glad you like it, Audrina replied while giving Emilia a rather penetrating stare. If you need anything at all, just let me know. Enjoy. With that, she saluted them with a small raise of her glass and glided away through the rather packed club. There was something about the woman that made Emilia keep staring as she moved away from them. Wow, Emilia thought. Download and discover why readers are raving about Elena Terrell.
